Items/Services to be purchased:	Materials (Wood, hardware, etc)
Surplus/Deficit Handling Plan:	This allows the students to create projects and take them home when finished. Any surplus funds will be used to buy replacement supplies or will be refunded.
Project name:	Cross Country
Person responsible:	Lemmens, Barb
Purpose and timelines:	Team Starts in September and continues until mid October. Information package is given to athletes and parents at the start of the year.
Revenue to collect:	A portion of the team fees will be collected at the start of the season. Exact amount will depend on expenditures for that season and will be determined at the start of the sport. Extra tournaments or costs for meets, travel etc. will be collected depending on individual participation.
Items/Services to be purchased:	Entry fees into meets, metro league fees, transportation costs, hotel costs if necessary.
Surplus/Deficit Handling Plan:	Surplus money will go to team sports discretionary fund.
Project name:	CTS Equipment
Person responsible:	Kardynal-Bahri, Laurie
Purpose and timelines:	
Revenue to collect:	If there is any leftover funds from CTS classes it will be transferred into this a/c.
Items/Services to be purchased:	New CTS Equipment and repairs. Construction & foods labs.
Surplus/Deficit Handling Plan:	Any extra funds will be left in the account for future expenses.
Project name:	Curling
Person responsible:	Panich, Terri-Lynn
Purpose and timelines:	Team Starts in September and continues until the end of March. Information package is given to athletes and parents at the start of the year. Parent meeting will also be held.
Revenue to collect:	Team fees will be collected at the start of the season. Exact amount will depend on expenditures for that season and will be determined at the start of the sport.
Items/Services to be purchased:	Entry fees, metro league fees, transportation costs, team clothing if necessary, team equipment if needed, windup activities.
Surplus/Deficit Handling Plan:	Surplus money will be divided into the uniform replacement, and the team sports discretionary fund.
Project name:	Digital Photography10-12
Person responsible:	Warchol, Ewelina
Purpose and timelines:	The purpose is to implement the photography courses from the Com Tech curriculum. This will be communicated through the student registration guide.
Revenue to collect:	Course fee of \$50/student
Items/Services to be purchased:	Materials and equipment (ie: cameras, lighting, photo printing, etc.)
Surplus/Deficit Handling Plan:	Surplus will be used in the CTS equipment fund.
Project name:	

Person responsible:	Kardynal-Bahri, Laurie
Purpose and	Collect funds from students taking ADLC courses in order to cover our postage
timelines:	and processing costs
	Course recovery plus 20.00 for postage
Items/Services to be purchased:	Postage, packaging, and copying costs
Surplus/Deficit Handling Plan:	Cost recovery only. Any surpluses will go into supplies or postage
Project name:	Drama 20/30
Person responsible:	Cross, Nicola
Purpose and timelines:	Project: Purchase gels for lights, new costumes, greek masks, script royalties. This will be communicated in their course registration.
Revenue to collect:	Student fees at the start of the semester (\$75.00 per student)
Items/Services to be purchased:	Gels, Costumes, Scripts, field trip to see a play.
Surplus/Deficit Handling Plan:	Any surplus will go towards the drama program for the following year.
Project name:	Drama 9/10
Person responsible:	Cross, Nicola
Purpose and timelines:	Project: Purchase gels for lights, new costumes, greek masks, script royalties. This will be communicated in their course registration.
Revenue to collect:	Student fees at the start of the semester (\$60.00 per student)
Items/Services to be purchased:	Gels, Costumes, Scripts, field trip to see a play.
Surplus/Deficit Handling Plan:	Any surplus will go towards the drama program for the following year.
Project name:	Early Bird Phys. Ed
Person responsible:	Gau, Ryan
Purpose and timelines:	Class runs from start of September until the end of June. The course description will be posted in the student handbook. Project will be discussed in the course outline.
Revenue to collect:	100.00 in student fees
Items/Services to be purchased:	Camping trip registration fee, golf fees equipment replacement, and off campus activities.
Surplus/Deficit Handling Plan:	Any surplus fees will be used to purchase additional equipment that was used and damaged to replace it. This will be stated in the course outline.
Project name:	Faith Group
Person responsible:	Damur, Melissa
Purpose and timelines:	The group is an ongoing student group responding to student faith interests. Letter / email contact provided.
Revenue to collect:	Monetary - provided by students or parents for faith group activities only in the event of organized faith events requiring money for transportation or attendance.
Items/Services to be purchased:	Funds are used for group resources, transportation to youth events, food for meetings, events and activities, etc.
Surplus/Deficit Handling Plan:	Any surplus will be retained for further faith group activites to cover items listed above, and / or reduce future costs and / or cover future deficits.

Project name:	Fashion 9/10
Person responsible:	Lemmens, Barbara
Purpose and timelines:	The course fee will be included on the course outline and the registration guide.
Revenue to collect:	Fashion 9 - \$30.00 per student. Fashion 10 - 25.00/student
Items/Services to be purchased:	The \$25.00 & 30.00/student will be used to fund the first project in Fashion 9/10 and other materials used throughout the course.
Surplus/Deficit Handling Plan:	Any surplus funds will be used to help fund the servicing of equipment used.
Project name:	Field Trip - Riverwatch
Person responsible:	Kozitzky, Andrew
Purpose and timelines:	Letter to be sent home with students stating the amount of the field trip
Revenue to collect:	Depending on the cost of the trip.
Items/Services to be purchased:	Transportation & field trip expenses.
Surplus/Deficit Handling Plan:	Once bussing & trip expense is paid there shouldn't be any surplus. If there is parents will be notified.
Project name:	Fine Arts(Drama Play)
Person responsible:	Cross, Nicola
Purpose and	Students will be involved in a Variety Show which will showcase all talents;
timelines:	guitar, Fine Art, Musical Theatre, Choir as well as Drama.
Revenue to collect:	Students pay for course fees, but extra funds for the show are fundraised through selling wreaths.
Items/Services to be purchased:	The funds will provide costumes, materials to build the set and will pay for the Shell rental fees.
Surplus/Deficit Handling Plan:	Surplus funds from our production should be saved to pay for The Shell for the following year.
Project name:	Fitness Centre User Fee
Person responsible:	Reader, Sean
Purpose and timelines:	All Students will be invoiced at the beginning of the year.
Revenue to collect:	\$5.00 student
Items/Services to be purchased:	Fee will cover access to the Fitness Centre and maintenance/replacement of equipment.
Surplus/Deficit Handling Plan:	Surplus funds remain in the account to offset future equipment replacement costs.
Project name:	Foods 10/20/30
Person responsible:	Gau, Michelle
Purpose and timelines:	Purpose is to implement the Foods Curriculum. It will be communicated through the registration guide.
Revenue to collect:	\$100/student enrolled in foods 10/20/30
Items/Services to be purchased:	Consumables to run the foods 10,20 & 30 program (eg. Groceries)
Surplus/Deficit Handling Plan:	surplus goes into the CTS Equipment fund.

Project name:	Foods 9
Person responsible:	Gau, Michelle
Purpose and timelines:	Purpose is to implement the Foods Curriculum. It will be communicated through the registration guide.
Revenue to collect:	\$65/student enrolled in foods 9
Items/Services to be purchased:	Consumables to run the foods 9 program (eg. Groceries)
Surplus/Deficit Handling Plan:	surplus goes into the CTS Equipment fund.
Project name:	Girls Rugby
Person responsible:	Balla, Sarah
Purpose and timelines:	School Sports - provided information pack given to parents and students
	Student Fees for Rugby to be determined in May 2017
Items/Services to be purchased:	Tournament costs (transportation, fee for tournament); clothing; Transportation; Rugby Equipment; metro league fees
Surplus/Deficit Handling Plan:	if there is a remainder of en excess of \$25 per student at the end of the school year, they will each be issued a refund for that amount. <25\$ funds will be used towards team sports discretionary fund.
Project name:	Golf
Person responsible:	Gau, Ryan
Purpose and timelines:	Team Starts in September and continues until the end of September. There will also be practices and tournaments in the spring. Information package is given to athletes and parents at the start of the year. Parent meeting will also be held.
Revenue to collect:	A portion of the team fees will be collected at the start of the season. Exact amount will depend on expenditures for that season and will be determined at the start of the sport. Extra tournaments or costs for green fees, travel etc. will be collected depending on individual participation.
Items/Services to be purchased:	Entry fees into tournaments, metro league fees, transportation costs, green fees, hotel costs if necessary.
Surplus/Deficit Handling Plan:	Surplus money will go to team sports discretionary fund.
Project name:	Graduation Fee
Person responsible:	Tymko, Steven
Purpose and timelines:	All graduating studnets will be assessed the Graduation Fee.
Revenue to collect:	\$130.00/student.
Items/Services to be purchased:	The Grad fee is used to support all Grad activities and expenses including: Grad Photo sitting fee, a copy of the composite photo and individual photo, facilities rentals, decorations, music and AV on Grad night, printing costs, and video production. This is a one time fee to cover all grad expenses.

Project name: Person responsible:	Team Sports - Discretionary Gau, Ryan
Purpose and timelines:	It will be stated in team sports packages that go out to athletes and students
Revenue to collect:	Small leftover amounts from the different teams will be used. Any Fundraising will also be collected into this account and distributed to teams.
Items/Services to be purchased:	Used for unforeseen circumstances with athletics. Eg) major equipment repair or replacement, offset provincial costs for students, travel expenses, support for athletes in need, intramural program support, thank-you gift for coaches, etc.
Surplus/Deficit Handling Plan:	Surplus will be used to replace equipment that is run down or help offset costs for sports that have unexpected expenses.
Project name:	Track & Field
Person responsible:	Lemmens, Barbara
Purpose and timelines:	Team Starts in May and continues until the start of June. Information package is given to athletes and parents at the start of the year. Parent meeting will also be held.
Revenue to collect:	Athlete fees will be collected at the start of the season. Exact amount will depend on expenditures for that season and will be determined at the start of the sport.
Items/Services to be purchased:	Entry fees, metro league fees, transportation costs, team clothing, team equipment if needed, windup activities.
Surplus/Deficit Handling Plan:	Surplus money will be divided into the uniform replacement, and the team sports discretionary fund.
Project name:	Uniform Replacement
Person responsible:	Gau, Ryan
Purpose and timelines:	This will be communicated on team handouts given to athletes and parents.
Revenue to collect:	25.00/player from each team sport will be used to replace old uniforms
Items/Services to be purchased:	New Uniforms to replace old uniforms
Surplus/Deficit Handling Plan:	Any surplus will be carried over to replace new uniforms for other sports in other years.
Project name:	Yearbook
Person responsible:	Kozitzky, Andrew
Purpose and timelines:	Purpose is to cover the cost of the yearbooks being ordered. It will be communicated through their school fees at registration.
Revenue to collect:	\$40 + GST optional yearbook fee.
Items/Services to be purchased:	yearbooks for those ordered.
Surplus/Deficit Handling Plan:	surplus to be carried forward to purchase new equipment.
