### STUDENT RESPONSIBILITIES DURING FINAL EXAMS

*To increase student success, and academic integrity, the following policies will be enforced:*

- Be prepared and know when and where your final exams are.
- Check to make sure you have no conflicts with any of your other final exams.
- Study and get a good night's sleep!!
- Come early and return class text books and review study notes or relax before your exam.
- Make sure to have everything you need for the exam (pens, sharpened pencils, erasers, calculators, extra batteries, Kleenex etc.). **These will not be provided for you.** You may also want to bring a sweater in case the room is cold.
- Enter the gym 10 minutes before your exam starts (as soon as the gym doors open) and find your exam or class section.
- **You will not be permitted to enter with anything that is unnecessary to the writing of the exam.** This includes cell phones, smartwatches, hats, backpacks, any drinks that do not have a screw top lid.
- There will be a designated room for any backpacks, hats, cell phones, watches etc. that you can leave your belongings in while you write your exam.
- When you have found your exam please sit quietly and listen for instructions from your teachers as to what you need to do (name placement, label sticking, etc.)
- After prayer and once you have been given your cue to start, relax, stay focused, and do your best to answer all the questions to the best of your ability. Take your time and check your work when finished. Conduct the exam in silence.
- Raise your hand to ask a question, use the washroom, or request additional supplies.
- When your exam is finished, check it over and raise your hand for the collection of the exam. If it is passed 1 hour you may be excused. If 1 hour is yet to pass, wait quietly in your desk. You may only leave once your exam has been picked up.
- Exit the gym quietly and through the men's change room doors. Please keep your voices down while in the hallways.
- Collect your materials that you dropped in the provided classroom and return any materials to the library that you still need to return. (Textbooks, library books, etc.)
- Have a great rest of your day and start preparing for your next exam.

Dec. 17, 2017

Dear Parents and Guardians,

St. John Paul II High School is committed to providing the best assessment conditions to show what the students understand and know in relation to the curricular outcomes. We are sending this letter home to inform you about the recent changes outlined by Alberta Education in relation to Provincial Achievement Tests and Diploma Examinations.

All students will now have up to double the amount of time to write the provincial achievement tests and diploma exams, according to the new rules set by Alberta Education, in January and June sittings without an application process.

Students who are currently supported by an Individual Support Plan (ISP) will continue to receive the accommodations that are outlined in their plan and accessed throughout the school year. In addition, other accommodations are available without an application process, however, school teams will need to show that the student is using accommodations throughout the school year as documented by the classroom teacher.

Teachers will continue to provide quality assessments throughout the school year and monitor appropriate accommodations to ensure success for all students.

If you would like further information on our Assessment, Reporting and Evaluation policy, please refer to our online administrative procedure.

Sincerely,

Laurie Kardynal-Bahri, Principal
