Grade 5 / 6 CTF and Option Courses 2020/2021

We are pleased to offer exciting complementary courses that enhance our student's education. St. John Paul II continues to offer a selection of courses in the arts, athletics, languages, technology and science. We are proud to offer many interesting choices that appeal to the diverse interests of our 21st century learners, while remaining a faith-centered, Catholic school.

*Please note: Complementary Courses may include additional fees on a cost recovery basis for projects, materials or field trips.

CTF Course Name: Musical Theatre 5/6

Description: Do you love to sing, dance and act? Come join us on a musical adventure and be ready to have a lot of fun! This is a *novice* level class that will help build your skills in creativity, ingenuity, empathy, leadership and innovation. During this course students will have the opportunity to attend a workshop, view a performance and participate in either the Christmas or Year end show.

Cost: \$15

CTF Course Name: Travel and Culture 5/6

Description: This CTF course will focus on developing an appreciation for different cultures in Canada and around the world. In addition, we will build skills associated with safe, effective, informed and responsible travel. Students will be involved in planning sample travel itineraries and sharing their research about countries of their choosing with their peers. This option introduces a career in travel consultation, and planning. Cultural activities, as well as guest speakers will enrich the experience.

Cost: \$0

CTF Course Name: Mixed Media Art 5/6

Description: How can we plan, create, and appraise Art in a variety of styles, techniques and media? We will challenge students to be creative and explore the world of Art and career connections. This option will first focus on drawing 3 dimensional images in pencil and pastel. Students will develop an appreciation for different artistic styles, from abstract to representative. Then colour theory will be explored through watercolour, tempera and acrylic paintings. A sampling of sculpture techniques in a variety of materials will also be created.

Cost: \$20.00

CTF Course Name: MakerSpace 5/6

Description: What is a makerspace? It's a place where students can gather to invent, tinker, explore and discover using a variety of tools and materials. Possible projects include stop motion creation and filming, scratch coding, board game design, origami, Google Draw and Breakout box/Digital Escape Room using Google Forms.

Cost: \$10.00

CTF Course Name: Pencil Drawing 5/6

Description: Do you enjoy being creative? Come explore the art of drawing in B&W and in colour. Learn how to make your artwork look 3 dimensional with perspective techniques and shading. Experiment with pencils and other colour media to create several art pieces to be proud of.

Cost: \$0

CTF Course Name: Sports Recreation 5/6

Description: In this course, we will explore many different avenues of sports and fitness to expose students to a diverse range of activities. We will have field trips and guest presenters booked to teach the students. Our trimester will conclude with a **final project**, where each student will have the opportunity to choose a career based on their interests in the various activities that they were shown in class.

Cost: \$50.00

CTF Course Name: Foods 5/6

Description: Do you want to learn how to eat so you can cook good food? Then this option is for you! This class offers an introduction to working in a kitchen, knowing how to follow recipes and how to prepare foods for class and at home. Please be aware, some recipes will contain milk, eggs and/or flour.

Cost: \$25.00

CTF Course Name: STEM 5/6

Description: Do you like to design and build? Are you curious about how things work? This is the option for you. We will be looking at the wonderful world of science, asking questions and experimenting to find the answers our curious minds want to know.

Cost: \$5.00
