

COMMUNICATION WITH PARENTS

Effective communication with parents is a priority at John Paul II Catholic High School. Our web-based student attendance and achievement information system is called **PowerSchool**. All parents and students will receive **PowerSchool** login information at the beginning of the school year. We encourage you to log onto the site regularly to track academic progress.

All newsletters are posted regularly on our school website at <http://jp2hs.eics.ab.ca/>. Please check this site regularly to stay on top of the happenings at JP II.

If at any time parents wish to speak with a teacher, we encourage you to contact the school to make an appointment or e-mail the teacher directly. Staff e-mail addresses are posted on our website
