

SCHOOL AWARDS

A wide array of student awards is annually made available for academic achievements, school spirit, athletic awards and general school participation. An awards handbook has been developed and lists all of these awards and the criteria for attaining them. Patriot Pride awards are presented in June while all other awards are presented at our annual awards evening in the fall. The following is a condensed listing for your personal use:

STUDENT ACCIDENT INSURANCE

Student accident insurance is available. Student insurance envelopes are at the office at the beginning of each school year. If you wish to purchase insurance, it is requested that you send envelopes directly to the insurance company. John Paul II High School simply distributes the information to students.
